

PROFESSIONAL ACCOUNTING/ TAXATION TECHNICIAN APPRENTICESHIP LEVEL 4

EMPLOYER TRAINING & APPRENTICESHIPS

This apprenticeship standard is designed to train existing accountants to technician level (QCF Level 4), who are working for accountancy firms or within finance departments of other types of organisations. The qualification can lead to a specialist role in accounting, and learners can also progress onto a higher education course in a subject related to accounting, banking, insurance or other financial services. Accounting is a flexible skill that can be applied to businesses across all industry sectors and is equally useful for those who want to be self-employed or run their own accountancy business.

Delivery model and duration:

Workplace and college delivery

**Duration: Typically 18 - 24 months
with a minimum of 372 days**

Ideal for:

- Accounts Manager
- Accounting Technician
- Assistant Financial/Management
- Accountant
